Please note: Screens will not be recharged on production run if proof approval is returned within 2 weeks.

Screens will be recharged if any image changes are required to proofs.

PRINT CHARGES

Prices quoted and extra colour charges apply to barrel prints only.

PACKAGING

Packaging may change from time to time at our discretion. If you have specific requirements for packaging, please inform us in writing at the time of placing the order.

This applies to all orders, including repeat orders, as special packaging arrangements are not automatically carried forward from previous orders.

PLAIN STOCK

Plain stock orders are normally supplied in full box quantities and a splitting charge is applied to those models available in smaller quantities.

EXPRESS SERVICES

PremierShip 1, 3 and 5 are express services for the ranges shown at time of publication. The services are provided on the following basis:-

- (1) Minimum of 1 (PremierShip 1), 3 (PremierShip 3) and 5 (PremierShip 5) working days to despatch from receipt of your signed and approved order acknowledgement.
- (2) Maximum of 5,000 pieces with same design.
- (3) Single colour printing only.
- (4) We reserve the right to offer an alternative product of similar price if there is a stock shortage.

AVERAGE LEAD TIME

Average Lead Time means the average amount of time taken to produce 1,000 pieces in a single colour print run from receipt of your signed and approved order acknowledgement.

We reserve the right to offer an alternative product of similar price if there is a stock shortage.

PRODUCT SPECIFICATION

We reserve the right to alter design, material and product specification of any product without notice.

ARTWORK SPECIFICATIONS

All artwork must be sent in digital format unless colour separated positive film can be supplied with emulsion side upwards (correct reading). Line colours only (no halftones).

Acceptable digital format: Apple Macintosh or PC format

Acceptable Media types: Email, CD Rom, Floppy Disc or Zip Disc

Files should be created in Adobe Illustrator (up to version CS2 supported) and saved in EPS or Ai format with all fonts converted to outlines. All imported files must be embedded and not linked.

The minimum printable line thickness is 0.17mm (0.5pt) as a positive image and 0.35mm (1pt) as a negative image (reversed out detail).

Any work involving cleaning up images, typesetting or re-drawing will incur additional charges.

DELIVERY

Our normal service varies between 2-4 weeks from receipt of your signed order acknowledgement and artwork sheet. Express Service is available on a limited range of pens at additional cost.

We despatch goods on your behalf by overnight carrier to any UK mainland address.

We can not be held responsible for late deliveries once the goods have left our premises.

Orders with delivery destinations outside the UK mainland will take longer depending upon the destination.

DISTRIBUTION OF GOODS

All goods received by you must be inspected within 3 working days of delivery and any shortages or quality issues reported to us in writing immediately.

On no account can the goods be distributed by you until you are satisfied that they are of merchantable quality.

No discounts or compensation will be given once the products have been distributed.

In the event that we agree that defective goods were supplied, we will replace the goods at our cost.

We will not accept any claims for consequential loss.

LOGOS

The logos and images shown in the Pens Galore catalogue Edition 11 are for display purposes only and are not intended to suggest that work was undertaken for any company or that they endorse the product(s) upon which their name or logo is shown. The images are to illustrate the type of effect possible using the printing techniques previously outlined.
